Haiku 1300

1300 × 810 × 820mm — two-person deep-soak bath

Haiku 1300 is a two-person deep-soak bath, inspired by Japanese deep-soak bathing traditions. Built for seated immersion rather than reclining.

MADE IN MELBOURNE

Made in Melbourne. Made to order. Composite and gelcoat construction with a medical-grade silk surface, scratch resistant under normal residential use, colour-fast and UV stable. SphearCore™ tri-fold construction supports thermal retention and structural integrity.

WARRANTY

Backed by a 30-year domestic express warranty against manufacturing defects in bath structure and surface. Domestic use means clean fresh water, filled and emptied each use, subject to correct installation, use and maintenance. A separate two-year structural and surface warranty applies to commercial installations.
